

Dear Ridgeview Families:

The RCS Board has approved an expansion of the uses for Gift Card Rewards funds earned by families. These additional items can be paid for out of your family funds if you have the total amount needed in your account. For example, if you want to use Gift Card Rewards earnings to pay for your athletic fees you need to have the entire \$60 in your account to do so. The only exceptions to this rule will be Eco Week, study abroad trips, and department donations. We will offer this to families twice a year and the options listed will be based on what is due at that time of the year. For instance, school fees aren't listed here but will be available on the next form at the end of the school year. Your Gift Card Rewards totals will be available twice a year and will be listed on a slip of paper you can pick up from the scrip sellers when they are selling scrip before and after school. In order to allocate your available funds you must return the bottom of this form completed and signed to the scrip box by the designated date. If you don't want to allocate your funds at this time than you don't need to do anything and your account will continue to grow. If you have any questions please contact Kristie Crites at 669-2429.

Your family totals through December 31, 2007, are available at the scrip table now.

Spring 2008
